Each member shall pay to the cooperative such minimum amount per month regardless of the amount of electric energy consumed, as shall be fixed by the board of trustees from time to time. Each member shall also pay all amounts owed by him to the cooperative as and when the same shall become due and payable.

### Section 3. Non-liability for Debts of the Cooperative.

The private property of the members of the cooperative shall be exempt from execution for the debts of the cooperative and no member shall be individually liable or responsible for any debts or liabilities of the cooperative.

### Section 4. Termination of Membership.

**ARTICLE VII  
REMOVED**

**ARTICLE VIII  
CAPITAL CREDITS**

**Section 1. Interest or Dividends on Capital Prohibited.**

The cooperative shall at all times be operated on a cooperative non-profit basis for the mutual benefit of its patrons. No interest or dividends shall be paid or payable by the cooperative on any capital furnished by its patrons.

**Section 2. Patronage Capital in Connection with Furnishing Electric Energy.**

In the furnishing of electric energy the cooperative's operations shall be so conducted that all patrons will, through their patronage, furnish capital for the cooperative, in order to induce patronage and to assure that the cooperative will operate on a non-profit basis. The cooperative is obligated to account on a patronage basis to all its patrons for all amounts received and receivable from the furnishing of electric energy in excess of operating costs and expenses properly chargeable against the furnishing of electric energy.

All such amounts in excess of operating costs and expenses at the moment of receipt by the cooperative are received with the understanding that they are furnished by the patrons as capital. The cooperative is obligated to pay by credits to a capital account for each patron all such amounts in excess of operating costs and expenses. The books and records of the cooperative shall be set up and kept in such a manner that at the end of each fiscal year the amount of capital, if any, so furnished by each patron is clearly reflected and credited in an appropriate record to the capital account of each patron, and the cooperative shall with a reasonable time after the close of the fiscal year notify each patron of the amount of capital so credited to his account. All such amounts credited to the capital account of any patron shall have the same status as though they had been paid to the patron in cash in pursuance of a legal obligation to do so and the patron had then furnished the cooperative corresponding amounts for capital.

All other amounts received by the cooperative from its operating in excess of costs and expenses shall, insofar as permitted by law, be (a) used to offset any losses incurred during the current or any prior fiscal year and (b) to the extent not needed for that purpose, allocated to its patrons on a patronage basis and any amount so allocated shall be included as part of the capital credited to the accounts of patrons, as herein provided; and the board of trustees shall direct any such cash (or credit) payment be withheld from

any member who has any outstanding debt owed to the cooperative. All cash or credits issued in the retirement of capital shall first be reduced by any delinquent amount owed to the cooperative by the patron(s).

In the event of dissolution or liquidation of the cooperative, after all outstanding indebtedness of the cooperative shall have been paid, outstanding capital credits shall be retired without priority on a pro rata basis before any payments are made on account of property rights of members.

If, at any time prior to dissolution or liquidation, the board of trustees shall determine that the financial condition of the cooperative will not be impaired thereby, the capital then credited to patrons accounts may be retired in full or in part. Notwithstanding any other provision of these bylaws, the board shall determine the method of allocation, basis, priority and order of retirement, if any, for all amounts furnished as patronage capital; provided however, that the board of trustees shall have the power to adopt rules providing for separate retirement of that portion ("power supply portion") of capital credited to the accounts of patrons which corresponds to capital credited to the account of the cooperative by an organization furnishing electric service to the cooperative. Such rules shall (a) establish a method for determining the power supply portion of capital credited to each patron for each applicable fiscal year, (b) provide for separate identification on the cooperative's books of the power supply portion of capital credited to the cooperative's patrons, (c) provide for appropriate notifications to patrons with respect to the power supply portion of capital credited to their accounts and (d) preclude a general retirement of the power supply portion of capital credited to patrons for any fiscal year prior to the general retirement of other capital credited to patrons for the same year or of any capital credited to patrons for any prior fiscal year.

Capital credited to the account of each patron shall be assignable only on the books of the cooperative pursuant to written instruction from the assignor and only to successors in interest or successors in occupancy in all or a part of such patron's premises served by the cooperative unless the board, acting under policies of general application, shall determine otherwise, except as herein otherwise provided.

Notwithstanding any other provision of the Code of Regulations or other provision of the membership certificate, if any patron or former patron fails to claim any cash retirement of capital credits or other payment from the cooperative within four (4) years after payment of the same has been made available to him/her by notice or check mailed to him/her at the last address furnished by him/her to the cooperative, such failure shall constitute an irrevocable assignment and gift by such patron of such capital credit or other payment to the cooperative. Failure to claim any such payment with the meaning of this section shall include the failure by such patron or former patron to cash any check mailed to him/her by the cooperative at the last address furnished by him/her to the cooperative. The assignment and gift provided for under this section shall become effective only upon the expiration of four (4) years from the date when such payment was made available to such patron or former patron without claim therefore and only after the further expiration of sixty (60) days following the giving of a notice by mail and publication that unless such payment is claimed within said sixty (60) day period, such gift to the cooperative shall become effective. The notice by mail herein provided for shall be; (1) mailed by the cooperative to such patron or former patron at the last known address and the notice publication shall be; (2) consecutive insertions in a newspaper

circulated in the service area of the cooperative, which may be the cooperative newsletter. The sixty (60) day period following the giving of such notice shall be deemed to terminate sixty (60) days after the mailing of such notice or sixty (60) days following the last date of publication thereof, whichever is later.
